Gentlemen:-

Will you kindly advise me whether you have in your collection any Indian Peace Medals. For your guidance I am enclosing two prints showing various types. If you have any of these, or any others, I should appreciate very much a brief list of them.

Very truly yours,

Secretary.

Dear Sir:-

Your communication of

a few days ago received with reference to Indian Peace Medals. I am pleased to inform you that the number of peace medals in Canada are very rare. The only medal we have is a large silver one, stamped for the Indian Treaty No. 6, 1876. It has Queen Victoria on one side and an Indian shaking hands with an English officer on the reverse. If you wish a photograph of the same I would be pleased to have one made and forwarded to you. I might say that we have not made any effort to secure any of the medals for this Museum.

Yours very truly,

Dear Sir;-

Your communication of April 27th with reference to Indian Peace Medals has not been forgotten. At the present time our museum is upset owing to changes being made by the Government, which leaves most of our material of that kind unobtainable. If you will communicate with me again in a short time we will try to supply you with the photographs.

Yours very truly,
